The Prison Arts Collective is a project of the California State University, San Bernardino Community-based Art program (CBA), dedicated to facilitating art throughout the local community at sites that would not otherwise have access to it.

All artworks are donated to CBA from the men & women participating in the CBA Prison Arts Collective projects at three CA state prisons: CIM, CIW, & LAC.

All artwork is available for a suggested donation price. All proceeds from the exhibition will support ongoing CBA programming in the prisons and community.
